COLORBOND® STEEL COLOURS FOR YOUR HOME

Colorbond®

WHETHER YOUR HOME IS CLASSIC OR CONTEMPORARY, CITY OR COUNTRY, COLORBOND® STEEL GIVES YOU THE ABILITY TO CREATE THE RIGHT COLOUR SCHEME FOR YOUR HOME.

1 BUILDING YOUR FAMILY'S FUTURE

We understand that you're building more than a house. So as well as making COLORBOND® steel beautiful to look at, we've also made it last beautifully. COLORBOND® steel is one of the world's toughest, most advanced building materials.

SHALE GREY™

2 TRIED AND TESTED

Tested and developed for almost 50 years in some of Australia's harshest conditions, COLORBOND® steel delivers proven durability and long life performance.

3 LOOKS BETTER FOR LONGER

Advanced paint technology in COLORBOND® steel provides your roof with a durable, baked-on paint finish that resists peeling, chipping and cracking.

ROOF COLOUR: SHALE GREY™

WOODLAND GREY®

4 THERMAL COMFORT

Standard COLORBOND® steel colours include Thermatech® technology² reflecting heat from your roof surface. Combined with insulation and good design, COLORBOND® steel can help you keep cool in summer.

5 PEACE OF MIND

Relax. COLORBOND® steel is backed by a range of warranties from BlueScope. To learn more about warranties simply visit bluescopesteel.com.au/warranties³

6 FUTURE FOCUSED

Strong and lightweight, steel is well positioned to meet current and emerging environmental and building design regulations and guidelines.

LEGEND

① Also available in COLORBOND® Ultra steel for coastal and industrial environments. All other colours are available in COLORBOND® Ultra steel on request, please speak with your supplier.

② Also available in COLORBOND® Stainless steel for severe coastal and industrial environments. Please speak to your supplier for more information regarding availability.

SA = Solar Absorptance. The classification of colours in the BCA is based on solar absorptance, which is the inverse of solar reflectance, expressed as a ratio between 0 and 1. A SA value of 0 indicates that a roof absorbs none and a value of 1 indicates that a roof absorbs 100% of the incoming solar radiation. Solar absorptance value is not applicable for COLORBOND® Stainless steel. See the individual colour swatches for the SA value for each product and colour.

BCA = The Building Code of Australia (BCA) has classified roof colour on the basis of their solar absorptance, referred herein as Light (L < 0.40), Medium (M < 0.60), Dark (D > 0.60). See the individual colour swatches for the ratings available for each product and colour. BCA classification is correct at the time of printing but may be subject to change. Check your local state building regulations at the time of your project.

1. The COLORBOND® steel colour swatches and images shown have been reproduced to represent actual product colours as accurately as possible. However, we recommend checking your chosen colour against an actual sample of the product before purchasing, as varying light conditions and limitations of the printing process may affect colour tones. To determine the most suitable material for your project, please contact your supplier or see colorbond.com/create. 2. Excluding Night Sky®, Thermatech® is not available in COLORBOND® Stainless steel. 3. Warranty subject to application and eligibility criteria. For full terms and conditions and to determine the eligibility of your building for the warranty visit bluescopesteel.com.au/warranties or call BlueScope on 1800 702 764. COLORBOND®, Thermatech®, BlueScope and ® colour names are registered trade marks of BlueScope Steel Limited.™ colour names are trade marks of BlueScope Steel Limited. © 2013 BlueScope Steel Limited ABN 16 000 011 058. COLORBOND® STEEL MATT

COLOURS WITH A MATT FINISH FOR YOUR
HOME ROOFING, WALLING, GUTTERS

matt

MAKE A LASTING IMPRESSION. COLORBOND® steel's new Matt finish offers a softer look in neutral tones, allowing you to make a sophisticated and personal design statement.

mat

Wall colour: Monument® Matt

DESIGN FREEDOM
Whether it's colour, finish, or the freedom to create a simple flat roofing design or soaring shapes, COLORBOND® steel Matt provides you with the flexibility to realise your design vision. This contemporary finish offers a sophisticated twist, which alongside our existing COLORBOND® steel range provides even greater design opportunities.

Roof and wall colour: Monument® Matt

A LOOK OF LUXURY
Choosing softer, more neutral colours adds a designer touch to the appearance of your home. The new COLORBOND® steel Matt allows you to make stylish and defining design choices for modern home exteriors. Choose from five of COLORBOND® steel's neutral colours: Surfmist®, Shale Grey™, Dune®, Basalt®, and Monument® to make your design statement.

SHALE GREY™ MATT

Roof colour: Shale Grey™ Matt

STAYS DISTINCTLY BEAUTIFUL
To achieve this finish, these five neutral COLORBOND® steel colours have been enhanced using BlueScope's innovative Matt paint technology, creating a softer, more subtle look. This purely aesthetic change has been purposely designed to create a true Matt finish whilst retaining the durability you'd expect from COLORBOND® steel. Tested for over a decade, COLORBOND® steel Matt has been designed to withstand our harsh Australian environment. The result is a product which maintains its Matt finish, looking even better for longer.

Colorbond®

WHEN YOU CHOOSE COLORBOND® STEEL MATT
for your design, you're not only making an enduringly
stylish choice, you're making a sensible one too.

matt

Roof colour: Monument® Matt

001

DESIGNED FOR THE HOT AUSTRALIAN SUN

COLORBOND® steel Matt incorporates our unique Thermatech® solar reflectance technology, designed to reflect more of the sun's heat on hot sunny days. It also benefits from our industry-leading coating incorporating Activate® technology to provide enhanced corrosion resistance.

Roof colour: Monument® Matt

002

TESTED, TESTED AND TESTED AGAIN

For over a decade COLORBOND® steel Matt has undergone real world exposure testing and accelerated laboratory testing at BlueScope sites in Australia, COLORBOND® steel Matt is also manufactured in Australia and compliant with relevant Australian Standards.

003

WARRANTIES FOR PEACE OF MIND

When you purchase COLORBOND® steel Matt you are buying products made and backed by BlueScope, one of Australia's largest manufacturers. BlueScope offers a range of warranties of up to 36 years for peace of mind¹.

Wall colour: Monument® Matt

004

MAKE SURE IT'S THE REAL DEAL

To make sure you get that true Matt finish make sure it's the real thing. Not all coloured steel is made from COLORBOND® steel so be sure to get what you pay for. To make sure you are getting that true Matt finish, it's easy to check. COLORBOND® steel Matt is ink jet branded on the reverse side of the sheet.

Wall colour: Monument® Matt
